

## Infosys Interview Experience – Nagpur

**Location:** Nagpur Campus  
**Portal:** Infosys Career  
**Total Rounds:** 3 (Technical, Managerial, HR)

### Overview of the Process

---

The journey began with an initial HR screening call regarding a job opening to discuss availability, notice period, expected package, and the specific tools/tech stack used.

### Round 1: Technical Interview

---

- **Mode:** Online (Microsoft Teams)
- **Panel:** 1 Technical Interviewer + 1 HR
- **Focus:** Deep dive into AWS, Terraform, Kubernetes, and Ansible.

### Technical Questions List

1. Tell Me about Yourself / Introduce Yourself.
2. What is GLB, ALB, and NLB?
3. What are the different types of EBS?
4. What is `local` in Kubernetes?
5. What is `Local.tf` in Terraform?
6. What is the purpose of using `terraform import` and `terraform refresh` commands?
7. How to install Kubernetes on a Linux machine?
8. Tell me about Ansible and describe how to write a Playbook?
9. What is AWS Lambda and what is the purpose of using Lambda?
10. What is the difference between a Security Group and a NACL?

11. What is the difference between Terraform and CloudFormation?
12. What is an IGW? Explain the VPC architecture.
13. How do you check CPU metrics in a Linux/Cloud environment?
14. What is the difference between CloudTrail and CloudWatch?
15. What is an Event Rule?
16. What is S3 Versioning?
17. What is a Snapshot and what is an AMI? Why are they used?
18. What are PV (Persistent Volume) and PVC (Persistent Volume Claim) in Kubernetes?
19. What are HPA (Horizontal Pod Autoscaler) and VPA (Vertical Pod Autoscaler)?
20. What are the Data Analytics tools available in AWS?

## Round 2: Managerial Round

---

- **Mode:** Face-to-Face (F2F)
- **Venue:** Nagpur Campus (Khapri, Maharashtra)
- **Panel:** 1 Manager + 2 HR members
- **Details:** No technical questions were asked during this stage. The discussion focused on organizational alignment:
  - Expectations from Infosys.
  - Shift policies and flexibility.
  - Hybrid model policy.

## Round 3: HR Round

---

- **Mode:** Online (Microsoft Teams)
- **Focus:** Final salary discussions and documentation requirements.
